

Delello and Sons Asphalt Paving Inc. (D&S) is committed to maintaining your confidence and trust, and maintains the following privacy policy accordingly to protect your personal information.

D&S Commitment to Security

D&S encrypts billing information wherever D&S requests it online. Personal information is accessible only by staff designated to handle complaints or requests. All D&S agents and sub-contractors with access to personal information are also bound to adhere to this policy as part of their contract with D&S.

Personal Information that D&S May Collect

D&S collects the following types of personal information: names, postal and e-mail addresses, phone and facsimile numbers, and billing information. D&S may also collect business information from sole proprietorships that apply for participation, some of which might constitute personal information, as well as personal information from individuals acting solely in their business capacity.

How D&S May Use Personal Information Collected

Unless you consent, D&S will use your personal information for the purpose for which it was submitted such as to reply to inquiries, handle your complaints and process billing and business requests related to program participation, and we will use such information to provide operational notices, and in program record keeping and to conduct research on industry marketplace practices.

How Your Information May Be Shared

D&S will not share your information with any individual unless we receive a written consent or that individual is a sub-contractor directly related to the contract held between D&S and Consumer.

Help Us Keep Your Personal Information Accurate

If your personal information changes or you would like to review the personal information we may have on file, please email us with the new information or your review request at adelello@delelloandsons.com

Computer Tracking and Cookies

Our web site is not set up to track, collect or distribute personal information not entered by its visitors. Our site logs do generate certain kinds of non-identifying site usage data, such as the number of hits and visits to our site. This information is used for internal purposes by technical support staff to provide better services to the public and may also be provided to others, but again, the statistics contain no personal information and cannot be used to gather such information.

A cookie is a small amount of data that is sent to your browser from a Web server and stored on your computer's hard drive. D&S uses non-identifying cookies to provide easier site navigation and access to forms. You can still use the D&S site if your browser is set to reject cookies. Our cookies do not generate personal data, do not read personal data from your machine and are never tied to anything that could be used to identify you.

Problems

If you have a complaint about D&S compliance with this privacy policy, you may contact us at adelello@delelloandsons.com
